Subject: Formation of Students' Support and Career Guidance Cell

In order to provide necessary support, guidance, and counselling to students regarding their academic and career-related queries, the institution has decided to establish a Students' Support and Career Guidance Cell.

Objectives:

1. To guide students in academic and professional career planning.
2. To provide counselling on higher education, competitive exams, and job opportunities.
3. To organize seminars, workshops, and expert sessions on career development.
4. To offer mentoring support for skill enhancement and personality development.
5. To collaborate with industry experts for internship and placement opportunities.

Composition of the Cell:

The cell will be formed under the guidance of Principal and will comprise faculty members, student representatives, and career counseling experts.

Responsibilities:

Regular interaction with students to understand their aspirations and challenges.

Conducting career awareness programs and mock interviews.

Providing necessary study materials and career-related resources.

Coordinating with external agencies for career counselling and placements.

All students are encouraged to actively participate and utilize the services of the Students' Support and Career Guidance Cell for their academic and professional growth.

Aims and Objectives of Student Support and Career Guidance Cell

Aims:

1. To provide guidance and support to students in their academic, personal, and career development.
2. To assist students in making informed career choices based on their interests, skills, and market trends.
3. To enhance students' employability by developing essential skills and competencies.
4. To create awareness about higher education opportunities, scholarships, and competitive exams.
5. To foster a supportive environment that promotes mental well-being and personal growth.

Objectives:

1. Career Counseling: Provide one-on-one and group counseling sessions to help students explore career options.
2. Skill Development: Organize workshops, training programs, and internships to develop communication, leadership, and technical skills.

3. Placement Assistance: Collaborate with industries and companies to provide job opportunities and campus recruitment.

4. Higher Education Guidance: Inform students about postgraduate courses, entrance exams, and scholarships available in India and abroad.

5. Entrepreneurship Development: Encourage entrepreneurial mindset through seminars, startup incubation programs, and mentorship.

6. Psychological Support: Offer counseling services to address academic stress, anxiety, and personal challenges.

7. Networking Opportunities: Facilitate interactions with industry experts, alumni, and professionals for career insights.

8. Resume and Interview Preparation: Conduct mock interviews, resume-writing workshops, and group discussions to improve job readiness.

9. Awareness Programs: Organize sessions on career trends, government job opportunities, and professional certifications.

10. Mentorship Programs: Pair students with mentors from different industries for personalized career advice.
